# Testimonials

“When we first connected, I had really burned out from work. It was really more of a “love myself kind of thing” when I found you. When you’ve been out of the market for a long time and you’ve been working, you kind of wonder “Is there anyone out there?” I met my first husband when I was 15 and didn’t have a lot of dating experience. The day after our first clearing session, a guy at work asked me out and I had to actually look behind me to see who he was talking to! That was less than 24 hours later.”

-Camille

“Worthiness is something that I have always struggled with. The block clearing was an amazing experience! It feels like a weight has been lifted. Thank you Carisa!”

- Shelli

“Of course anytime I talk to Carisa I feel like I’ve just had my fairy Godmother wave a wand over my head because I always get a text, call, invite from a man within the hour!”

- Amanda

“The work we’ve been doing has shown results in my dating life already. I have so enjoyed feeling sexy again! Thank you Carisa for allowing me to be part of this group.”

- Dondene

“Your process is not only changing how I relate to men, but it’s helping me to become a more emotionally mature, knowledgeable woman preparing herself for that amazing man.”

- Tisha
